V. Proposed District Budget Cuts

A discussion took place regarding the proposed district budget cuts and the scheduling of practices during vacation periods in member schools. Districts are in the process of developing their budgets for the 2011-12 school year, and many are considering eliminating duplicate teams at the Modified and JV2/JV9 levels. Further discussion needs to take place regarding districts having separate 7th and 8th grade teams, as apparently a number of schools are dropping these programs. This item will be discussed at the next Modified Committee meeting. Additionally, schools felt that practice limitations during holidays and weekends should be decided at the local district level.
