Alignment is based fundamentally on the following: Travel times and distances from their high school and location of golf course.

All league placements are the same from last year (2022-23). With the exception of Bellport moving to League I to make room in League V for Brentwood adding a golf team. This change will not impact the travel time and distance for Bellport or other teams traveling to Bellport in League I (actually decreases travel).

All Leagues now have 6 teams. Play all league teams 2x for 10 league matches
