GUIDELINES AND RECOMMENDATIONS FOR CODES OF BEHAVIOR FOR COACHES, PARTICIPANTS, SPECTATORS AND ADMINISTRATORS IN INTERSCHOLASTIC COMPETITION

I. INTRODUCTION

It is the duty of all those concerned with high school athletics to emphasize the proper ideals of sportsmanship, ethical conduct and fair play under all circumstances. The values to be derived from playing the game fairly should be stressed, and any actions which tend to destroy those values should be discouraged. Courtesy should be shown toward opponents, officials, supervisors, spectators and administrators. Efforts must be made to achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility and to respect the integrity and the judgment of the sports officials. It is important for all to recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players. Most of all, it is the duty of all concerned with high school athletics to remember that an athletic contest is only a game and should be kept in that perspective.

II. THE COACH is expected to:

1. Set a positive example both on and off the playing area.
2. Be aware that you are representing a school district, a school, and a student body. Impressions made are lasting and hard to live down.
3. Recognize that athletic competition is a means toward an end, not an end in itself. Specifically, athletics should lead to the development of healthy, well-adjusted young men and women.
4. Approach competition as a healthy and constructive exercise, not as a life and death struggle that requires victory at any price. It should be fun and enjoyable.
5. Recognize that the participants in individual or team sports are young men and women with human frailties and limitations who are capable of making mistakes.
6. Be prepared to win or lose. Be positive. Encourage peak performance within the rules of the game.
7. Command respect by personal attitude and behavior.
8. Be well-groomed. Wear appropriate attire be it casual or otherwise.
9. Not use crude or abusive language with players, opponents, officials, or spectators.
10. Respect the judgment of the officials. Although it is reasonable for the coach to question
11. Handle dissatisfaction with officiating quietly and efficiently through the use of the rating cards supplied by Section XI.
12. Instruct players to respect officials. Questions concerning rules or interpretations should be made by the team captain as the team representative during the contest.
13. Refrain from shouting disapproval of calls made by officials.
14. Avoid behavior that will incite players, opponents, or spectators.

15. Encourage good sportsmanship, and remove players from competition who demonstrate unacceptable behavior.
16. The athletic program is a total part of the educational opportunities provided for all students. It should be treated as just that.

III. THE ATHLETE is expected to:

1. Understand and abide by the rules and regulations of the game, and to respect the integrity and judgment of the officials.
2. Conduct themselves as ladies and gentlemen at all times.
3. Demonstrate self-control and mutual respect at all times. Uncontrolled emotions can be self-defeating.
4. Not use crude or abusive language or gestures in dealing with opponents, officials or spectators.
5. Accept victory with grace and defeat with dignity. Poor winners or losers do a disservice to themselves.
6. Set an example in word and deed, both on and off the playing area. Remember that athletes assume a role of leadership and that the young emulate their role models.
7. Be well-groomed, both on and off the field, as a representative of the school. Improper behavior while in uniform reflects badly upon yourself, your school, and your community.
8. Observe training regulations and requirements of physical fitness for better personal performance and greater contribution to the team effort.
9. Place athletic competition in its perspective. It represents only one part of the learning process and should not be pursued to the exclusion of everything else.
10. Remember that participation in athletics is a privilege that should not be abused.
11. Refrain from shouting disapproval of calls made by officials. Shouting disapproval of calls made by officials may result in misconduct.

IV. THE SPECTATORS are expected to:

1. Conform to accepted standards of good sportsmanship and behavior.
2. Respect officials, coaches, and players and extend all courtesies to them.
3. Taunting, foul and abuse language, noisemakers, inflammatory remarks and disrespectful signs and behavior are not acceptable. Violations during a free throw attempt will be penalized by repeating the free throw, if missed. The officials will make this decision. (Rev. 3/7/12)
4. Obey the regulations of the site authorities. Those who do not conform should be brought to the attention of the supervisors.
5. Understand that schools are responsible for the conduct of their respective spectators, whether at home or away.
6. Refrain from shouting disapproval of calls made by officials.

V. THE ADMINISTRATORS

1. The Athletic Director is responsible for the conduct of coaches, players, spectators, and other employees of the school.
2. The Athletic Director assumes responsibility for informing these groups of the code of behavior expected during participation in Section XI athletic events.

2. Actively use their influence to enhance good sportsmanship on the part of their players and their community.

SECTION XI SPORTSMANSHIP GUIDELINES

In all sports, players and coaches will be expected to demonstrate good sportsmanship.

Every sport has its own rules and regulations that must be known and respected by coaches and athletes and enforced consistently by officials. However, there are certain behavioral standards that elevate an athletic event from a mere contest to a positive educational experience. Section XI's purpose in implementing this system is to encourage coaches and athletes to focus on these behavioral standards.
